Education

Expected May 2027
Cypress College
Credit for Transfer

May 2025
Oxford Academy
High School Diploma
3.52 (unweighted) GPA
3.91 (10-12 weighted)

Certifications

- AHA Basic Life Support (CPR & AED) Program Certification
- AUHSD Seal of Biliteracy (English & Spanish)
- CompTIA ITF+ Certification
- Coursera Data Analysis with R Programming Certification
- NFHS Concussion Course Certification
- NFHS Heat Illness Course Certification
- NOCROP Engineering Design CTE Pathway

Languages

English ■ ■ ■ ■ ■
advanced reading, writing, and conversation

Vietnamese ■ ■ ■ ■ ■
intermediate conversation, beginner reading & writing

Spanish ■ ■ ■ ■ ■
intermediate reading and writing, beginner conversation

Extracurricular Activities

- **2016-present**
Troop 1789 "Thăng Long" | Golden West District
Explorer Scout | Patrol Leader | Boy Scout
 - taught skills such as outdoor survival and first aid to younger scouts
 - led Eagle Patrol since 2022, fostering knowledge and trust to achieve success
 - one first place and two third place awards at Golden West District Camporee
 - two second place awards at Mataguay International Camporee
 - one first place troop award for each of these camps
 - created and maintained thorough documentation on every troop event post-pandemic
- **2023-2025**
VRC Team #1774A "Quantum Leap" | OA Robotics Club
Programming Lead | Mechanical Member
 - constructed 3 unique competition robots using VEX kit parts
 - read two 100+ page game manuals and efficiently relayed information to the team
 - sketched and prototyped the robot with attention to scale and detail
 - 8th place out of 33 teams in "Over the Peninsula" Qualification Matches
 - drove the "Steam-a-Palooza" robot in a high-pressure environment; earned 2nd place
 - led the programming team with emphasis on communication and code reliability
 - programmed all necessary functions and autonomous actions in a short timeframe

Community Service

- **2016-present**
Troop 1789 "Thăng Long" | Golden West District
Boy Scout
 - assisted on Eagle projects in the troop, including 3 separate church refurbishments
 - additional cleanups and charity work; total 40+ hours volunteered
- **2023-2025**
Environmental Conservation Organization (ECO) | Oxford Academy
Recycling Member
 - collected recycling bins from each classroom and sorted recyclables accordingly
 - recycled for 15+ hours for 9 months across 2 school years
- **2022-2023**
Teen Volunteering | Cypress Library
Homework Help
 - worked with mostly kindergarteners and first graders with their homework
 - learned and practiced methods such as patience and thorough explanation
 - 16 hours of volunteering over one school year

Skills

- Problem solving
- Attention to detail
- Quick learner
- Collaboration
- VEX robotics programming
- 90+ WPM typing speed
- Basic SolidWorks CAD
- Arduino circuitry
